SUMMARY

Entry-level Flutter Developer with hands-on experience building cross-platform mobile applications using Flutter and Dart. Experienced in developing modern UI, integrating REST APIs, and connecting applications with MySQL-based backend systems. Strong understanding of mobile UI design, API integration, and scalable application architecture. Seeking an opportunity to contribute to mobile application development and production-ready Flutter projects.

SKILLS

Programming Languages:

Python, Dart, HTML, CSS

Frameworks & Tools:

Flutter, Django, Git, Figma

Mobile Development:

Flutter UI Development, State Management Basics, API Integration, Responsive UI Design

Backend Development:

REST API Integration, Backend Communication, JSON Handling

Databases:

MySQL (SQL fundamentals, schema design, CRUD operations)

PROJECT

Real Estate Finder Application (Full Stack Project – Ongoing)

- Developed backend APIs using Python (Django) to manage property listings and user interactions.
- Designed and implemented RESTful APIs for search, filtering, and property data retrieval.
- Integrated MySQL database for storing user and property data.
- Optimized API responses to improve performance and scalability.
- Collaborated with frontend (Flutter) to ensure seamless API integration.

Tech Stack: Python, Django, MySQL, REST APIs, Flutter, Git

Smart Electrician Booking Website

- Developed a full-stack web application to connect customers with nearby electricians.
- Designed and managed MySQL database for users and service data.
- Built the frontend using HTML, CSS, and JavaScript with a user-friendly interface.
- Published the project in IJRPR Journal as a real-world application.

CERTIFICATIONS/TRAINING

Flutter Full Stack Professional Course at Nschool Academy.

- Gaining hands-on experience through real-time project development.
- Developing practical exposure by working on industry-oriented Flutter full stack projects.

INTERNSHIP

NoviTech R&D pvt Ltd Coimbatore

- Introduced to Java programming basics.
- Learned how to open, run, and test simple projects using Android Studio.
- Got basic understanding of Android application environment.

EDUCATION

Bachelor of Science in Computer Technology

Sri Krishna Adithya College of Arts and Science ,Coimbatore

CGPA: 7.0
